

HOW TO PLAY

PAI GOW POKER

A FUN, FAST-PACED
VARIATION OF
TRADITIONAL POKER!

Pai Gow is played with seven cards that make the best two poker hands possible. The highest hand has five cards and the second highest hand has two cards. To win you must beat both of the dealers hands. A commission of 5% is paid on all winning hands.

BONUS WAGER

A bonus wager may be made at the same time a bet is wagered. The Bonus Bet can be \$1.00 to \$50.00 max. A bonus wager of \$5.00 or more qualifies for the envy bonus, which entitles the guest to win on other guests' hands. An envy button will be placed next to the wager. An envy bonus won due to another player's hand is paid accordingly to the envy bonus pay scale.
